NWU has designed the Archway Curriculum to enrich our students' skills development within and beyond their majors throughout their time at NWU. We want you to get the most out of your undergraduate career and still graduate on time. Students must complete all requirements for both the Archway Curriculum and one academic major to earn a bachelor's degree. MPCC students can transfer in many courses to meet these requirements.

The University Registrar at Nebraska Wesleyan will conduct a course-by-course evaluation of official transcripts to apply courses to general education, academic major, and degree requirements.

Required coursework can vary based on students' degree program, transferring credit, and other factors. Transfer equivalencies can change. Ask your NWU admissions counselor for more information.

Courses must have a grade of C- or higher to be eligible for transfer. Courses with numbers below 1000 will not transfer.

Education majors must have a cumulative 2.75 college GPA, and a 2.75 GPA in education classes, to join the Teacher Education Program.
